
VALLEY VIEW LOCAL SCHOOLS

Strategic Plan - Actions

September 13, 2021

Mission

We are an educational community committed to fostering lifelong learning.

Core Values

Collaboration, Inclusivity, Responsibility, Respect, Resourcefulness

Academic Achievement - At Valley View, we provide opportunities for lifelong learning that prepare each student to reach his or her full educational potential.

Action Plans and Measures:

- I. We will continue to provide diverse curriculum options to develop individual skill sets for all students.
 - a. Examine the district AP offerings including the number and population of students taking the class and explore adding new options based on interest levels by January 1.
 - b. Continue to plan for implementation of district STEM opportunities K-12.
 - c. We will collect and review student survey data to drive career-based instruction.

Academic Achievement - At Valley View, we provide opportunities for lifelong learning that prepare each student to reach his or her full educational potential.

Action Plans and Measures:

2. We will continue to provide appropriate instruction to meet a wide range of learner needs.
 - a. Implement a Multi-tiered Systems of Support (MTSS) implementation with a strong focus on Tier I Instructional strategies during the 2021-2022 school year.
 - b. Continue to design and implement appropriate Tier 2 and Tier 3 interventions based on MTSS data.
 - c. Continue to plan between subjects and grade levels vertically on a regular basis to help meet best instructional practices, address learning gaps, and provide enrichment opportunities.
 - d. Survey students to gain information about K-12 electives.
 - e. Provide professional development to enhance staff knowledge of emerging curriculum options.

3. We will continue to offer learning opportunities that prepare students for their future.
 - a. Continue to survey and analyze results of Valley View graduate surveys.
 - b. Design, implement, and increase opportunities to implement in-class life skills offerings.

Student Development - At Valley View, we recognize all students experience challenges, so we strive to equip students with skills to develop into the best version of themselves.

Action Plans and Measures:

1. We will create graduates that are financially literate and possess effective interpersonal skills.
 - a. Continue to develop a financial literacy component in grade levels K-12.
 - b. Implement a financial curriculum in the most appropriate subject (course offering) at each grade level.
 - c. Develop a set of 5-10 student interpersonal skills, by building, to be implemented throughout 2021-2022 school year.

2. We will cultivate a climate that fosters awareness of whole self and others.
 - a. Participate in equity workshops through the MC Equity Leadership Institute during the 2021-2022 school year.
 - b. Foster awareness of self and others through the Whole Child team during the 2021-2022 school year. i.e. 40 Developmental Assets.
 - c. Survey students, staff, and parents to gain feedback about the school climate and culture.
 - d. Survey students to gain information about their social-emotional needs and areas of strengths.

Community Partnerships - Valley View Schools cultivates school and community partnerships to achieve unity and opportunities for student success.

Action Plans and Measures:

- I. We will maximize community resources to focus students on their continuous improvement.
 - a. Provide collaboration opportunities with YMCA and Valley View preschool teachers to align curriculum and activities.
 - b. Create an Education and Local Business Roundtable and schedule quarterly meetings.
 - c. Establish a Valley View Welcome Home package.

- I. We will encourage opportunities for students to serve in their local community and beyond.
 - a. Continue Community Service being a graduation requirement beginning with the class of 2025.
 - b. Implement a K-12 Community Service Project and/or day for the during the 2021-2022 school year.
 - c. Establish and develop community partnerships that will provide mentorship and apprenticeship opportunities for students.

Facilities - Our facilities are accessible, safe and supportive of 21st century learning, and address the needs of all students.

Action Plans and Measures:

1. We will provide safe and accessible facilities for our students and the community.
 - a. Meet with appropriate entities to develop protocol for safety and accessibility of current and new facilities.
 - b. Continue to follow an attainable construction timeline.
 - c. Continue to inform and update the community about the status of the construction project through completion.
 - d. Create a plan to transition in and out of buildings throughout the construction project.
2. We will create learning spaces that best facilitate modern 21st Century learning.
 - a. Create and develop extended learning areas throughout the construction project.
 - b. Incorporate outdoor learning spaces in current buildings and new construction throughout the construction project.
3. We will use our facilities to create a fluid learning environment that evolves with the changing needs of our students and community
 - a. Create a master facilities plan following completion of new K-12 construction.
 - b. Pursue all leads and options for the purchase of our current facilities once they are no longer in use.

Finances and Operations - We believe good stewardship of district finances is critical to success. We are dedicated to planning, careful investment, accountability and transparency.

Action Plans and Measures:

1. We will communicate and educate stakeholders about state and local finances.
 - a. Present School Finance 101 to staff and community twice a year. i.e. video, in person
 - b. Utilize monthly BOE financial presentations to inform community and staff.
 - c. Update website with current financial data to continue to provide financial transparency.
2. Partner with the Valley View Education Foundation to enhance classroom and building initiatives, projects, and activities.
 - a. Provide updates to Valley View Education Foundation and identifying funding opportunities and initiatives.
 - b. Continue building key financial relationships within the community and region through the 2021-2022 school year.
3. We will continue to attract and retain high quality staff
 - a. Conduct/Organize Job Fairs to promote the Valley View School District.
 - b. Create and provide an on boarding process and experience for all newly hired Valley View employees.
 - c. Create and perform an exit interview with all employees that leave Valley View
