VALLEY VIEW MUSIC BOOSTER 2021 MEMBERSHIP DRIVE

The Valley View Music Booster Membership Drive has commenced! You can become a Patron Member. The Valley View Music Boosters (VVMB) is a group of passionate individuals who are excited about and supportive of the music programs in our schools. Parents of current band, choir, and guard students (grades 6-12) are automatically members of our organization. You can come and vote on our issues or obtain information at our monthly meetings which are the second Tuesday of the month, virtually for now. Check out our Facebook page for details.

Patron membership is different from our regular VVMB membership. Patron membership is a paid membership offered at many levels that comes with additional benefits. Keep in mind we are a 501(c)(3) organization so your donation is tax deductible. By making your donation, you become an official Patron member with additional access to events and offers.

In the past, our Patron members enjoyed our exclusive Gala, the quintessential kickoff to the Holiday Season. This year, our Patron members will receive emails of our talented students singing and playing and finding a new way to celebrate and kick off 2021. Also, Patron members will be entitled to complimentary raffle tickets to an upcoming raffle. **NEW THIS YEAR:** CIRCUMSTANCES PERMITTING, Patron members at Whole Note level or higher will receive an in person caroling/musical event from our talented students!

I hope you can continue to support our students in their musical quest for excellence.

Valley View Music Boosters

Dear Patron Member;

Our students have been a bit less visible in the community due to the pandemic, but be assured they are still playing instruments and singing songs, but learning in many different ways. Our Valley View Music Department is strong as ever and plan to offer some virtual gems, especially for our Patron members. PLEASE PROVIDE YOUR EMAIL TO RECEIVE SPECIAL MUSICAL TREATS FROM OUR STUDENTS. A Raffle will be forthcoming with Patron members receiving tickets as part of their membership. Please, continue your awesome support of our worthwhile program.

Thank You!

Support Level (please CHECK one)
